

RE: Cdc-2008-0001

Dear Folks,

Thank you for finally tossing the HIV travel & immigration ban

into the garbage can.

Now the USA

can say "have a nice day"

to countries such as China, Iraq, Libya, Russian Federation & Sudan

which still have this Jesse Helms sponsored ban.

YOB!

Our Galaxy, the Milky Way, contains our star, the Sun. Out of all these stars in all these galaxies,

Earth is the only one we have the power to destroy it all.

The earth and its living systems
We also have the power to save
